## YARN USAGE

3 months: 300 g

6 months: 300 g

## MATERIAL

Duffle Buttons  
Knitting needle 3,5 mm

Gauge: 21 sts = 10 cm

*Specified yarn quantities are indicative.*

## ABBREVIATIONS AND DEFINITIONS

st(s)      Stitch(es)  
N          Needle(s)  
r          Row  
Button hole Bind off 3 sts.

In the following row, cast on 3 new sts.  
*The button holes are made as needed,  
on the right side for girls and left side  
for boys.*

(..)        Indicates number of sts per r for the 2 sizes.  
3 months (6 months)

**NOTE: Gauge**  
- it is **VERY** important  
for the jacket's finished result  
to respect the gauge.

If worked too loose, the shape will not be maintained, which is why it is important to pay attention to the firmness of the stitches at all times, not just at the start.

## Cosy

- A wonderfully soft  
and high quality  
cotton mix

Cosy's thread is perfect for knitted cardigans and sweaters. The thread is quite lightspun, soft and with a very special elasticity, which preserves the knit beautiful. The nature of the fiber gives a special fluffyness, which is ideal for knitting beautiful sweaters.

The Cosy yarn is a bit vintage in its expression – warm, strong and even breathable.

Cosy has been awarded the AZO certificate and is thus a yarn that everyone can feel safe wearing.

60% Cotton/40% Acrylic,  
50 g/100 m.

## HOODED JACKET

3 MONTHS (6 MONTHS)

*The hoodie is knitted from the right sleeve to the left sleeve in garter stitch.*

1. Cast on **32 (36)** sts and knit in garter stitch. Increase 1 st on each side every **3 (3)** cm - **4 (6)** times = **40 (48)** sts.
2. When the piece measures **15 (18)** cm, cast on **33 (39)** sts each side = **106 (126)** sts.
3. Knit until height of **7 (8)** cm is reached. Divide piece for front and back - **53 (63)** sts on each part.

### BACK

4. Decrease 1 st at the neck and knit until the piece measures **19 (20)** cm, increase 1 st and put part on hold.

### RIGHT FRONT PIECE

5. Decrease 1 st at the neck side **3 (5)** times = **50 (58)** sts. Knit until height of **13 (14)** cm, insert **4 (5)** evenly distributed button holes - or *desired number of button holes*.

Knit until height of **14,5 (15,5)** cm and bind off.

### LEFT FRONT PIECE

The left front piece is knitted separately until it is the same size as the right front piece. Then it is knitted together with the back's sts.

6. Cast on **50 (58)** sts and knit like the right front piece, but increase 1 st x **3 (5)** times at the neck side instead of decreasing = **53 (63)** sts.
7. When the left front piece mirrors the right front piece, knit the parts together with the back's sts = **106 (126)** sts.
8. When piece measures **7 (8)** cm after knitting parts together, bind off at the beginning of the next 2 rows: **33 (39)** sts for a total of **40 (48)** sts.
9. Now work on sleeve: knit **3 (3)** cm, then dec 1 st on each side. Repeat decreases every **3 (3)** cm, to a total of **4 (6)** times = **32 (36)** sts and both sleeves are the same length.  
*Bind off.*

### HOOD

10. Cast on 6 sts, then pick up **50 (56)** sts from the neckline. Start at the right front piece after the first 6 sts and finish 6 sts before the end of the left side part, then cast on 6 sts = **62 (68)** sts.

Knit until the piece measures **4 (4)** cm, then increase by **5 (5)** sts evenly distributed within the 6 sts on each side = **72 (78)** sts.

When the work measures **10 (10)** cm, increase by **5 (7)** sts within the outer **6 (8)** sts of each side = **82 (92)** sts.

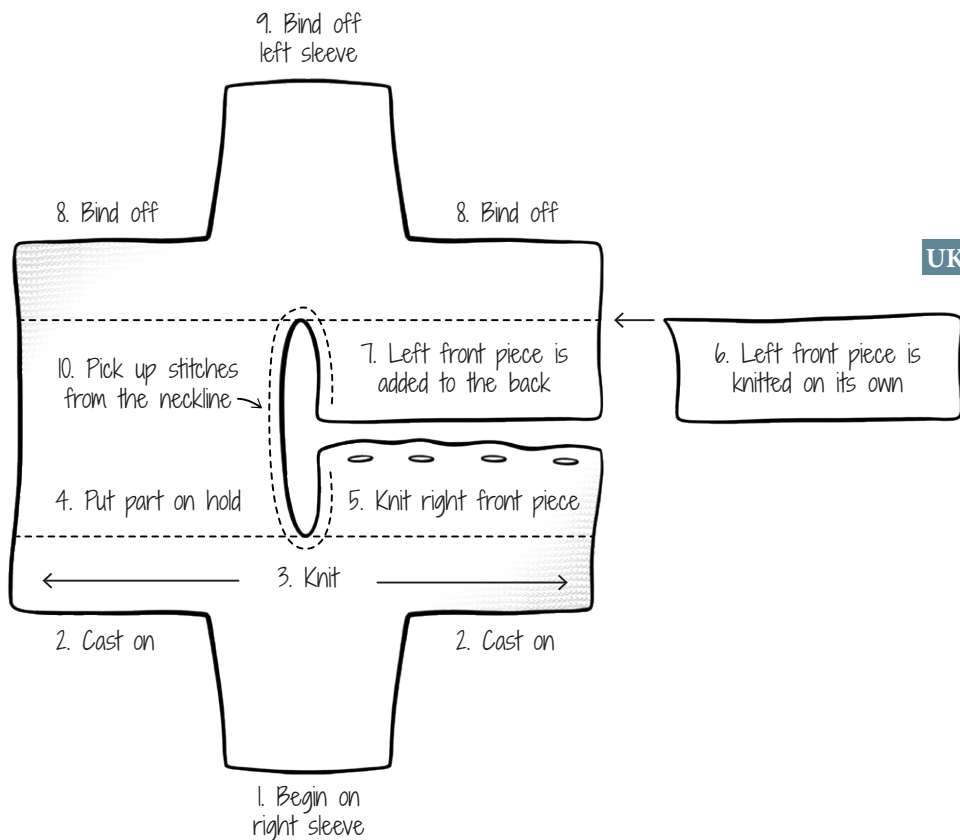

When the work measures **18 (20)** cm, divide the work as to have two pieces of **41 (46)** sts each. Knit pieces together, binding off at the same time. Fold the **6 (6)** sts on both sides and sew them to the hood.

## ASSEMBLY

*Sew sides and sleeves together.  
Weave in ends and sew on buttons.*

## FINAL MEASUREMENTS

Circumference	<b>50 (53)</b> cm
Length	<b>25 (30)</b> cm
Sleeve length	<b>15 (17)</b> cm

# Good to know

## Needle Size ≠ Tension

Knitters knit very differently: some knit with a needle size 2,0 mm and obtain the same size of design quality as a person who knits with a needle size 4,0 mm. We owe this knowledge to the team of knitters who join us.

The key to knit a specific size is a lot about the knitting style/hands/skills, rather than the size of needles.
